Re: Hop Marketing Order

Dear Sir or Madam:

With regards to the additional comment on the proposed hop marketing order, I as a hop grower in Idaho remain against this proposal and the State Of Idaho would like to be exempt from any Hop Marketing Order.

If they are going to shove this down our throats we ask that the basis for the marketing order be the previous year not the five years as proposed.

I feel it is unfair to open up the comment period after they have already had a comment period and hearing. Everything has been stated and we as growers of Idaho remain unilaterally opposed to any marketing order.

Sincerely,

Greg Obendorf
